

**ASTER**  
LOGISTICS & FORWARDING  
WORLDWIDE

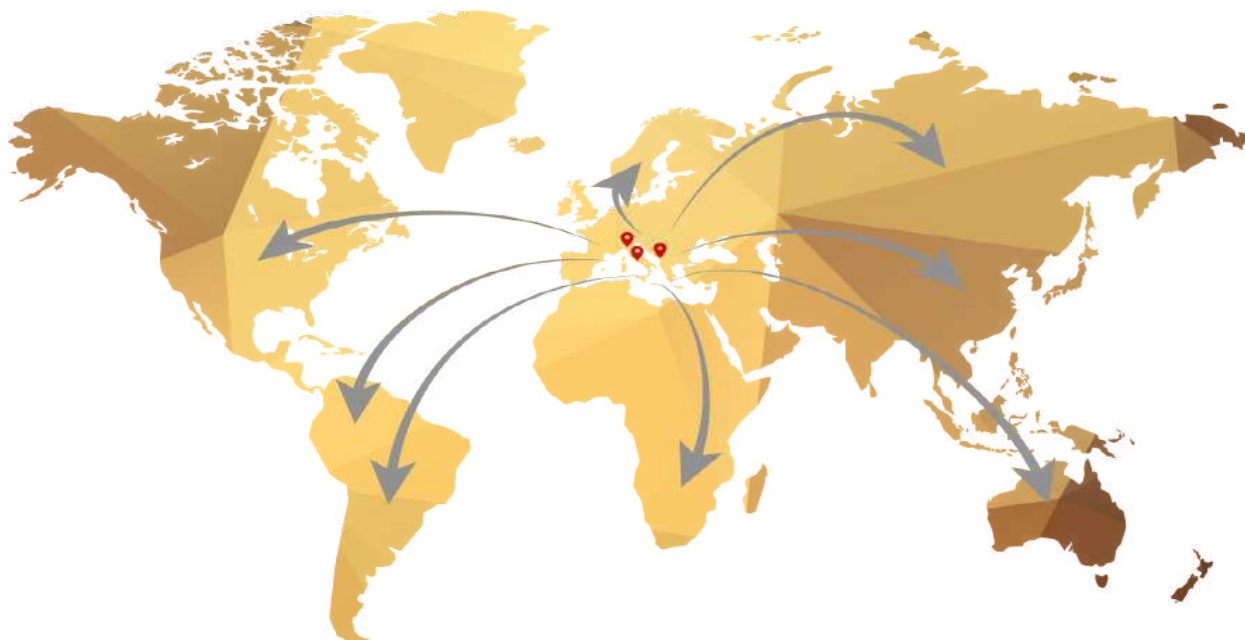

**GLOBAL SOLUTIONS  
FOR YOUR  
CARGO**

# ABOUT US

**Aster Logistics** is a consolidated freight forwarder and competitive global logistics provider founded by a group of professionals with over thirty years of experience in logistics, national and international transportation as well as import and export customs brokerage.

From the development of these solid foundations, Aster has multiplied its own strength by expanding its activity through a **network that covers more than 190 countries in the world**, capable of providing local support to a distribution strategy truly global.

# OUR VALUE

Aster's main value is in focusing on **customers' needs**, which range from the simple repositioning of the stock to the full support as integral part of the distribution chain, thus ensuring customers to achieve a **competitive advantage in the global market**.

## International Freight Forwarders by Air, Sea and Road, logistics, distributions and customs declarations

### WHERE WE ARE?

Aster Logistics's head office and warehouse are located in **north urban area of Milan – Italy**, well connected to the main motorways and railways, an ideal location to better enhance its activity as a maritime, air and land freight forwarder, as well as a global logistics provider, able to offer **warehousing, distribution, custom brokerage and global logistics management**.

Additional direct presence in **Rome and Albania** (Durrës) provides the ideal commercial and operational network to support all activities to and from the Mediterranean area.

# OUR SERVICES

Whatever your freight requirements, Aster Logistics, as your business partner has the necessary skills and understanding to provide **innovative solutions** to your transportation and logistics requirements.

# AIR FREIGHT

We offer different airfreight solutions, both from an export and import perspective as well as in a through-transport scenario, dependant upon requirements.

## PRIORITY AIR SHIPMENTS

The shortest transit time possible, any size or weight, for any destination. Pre-clearance operations when possible are performed in order to speed up the final delivery.

## EXPRESS AIR SHIPMENTS

A more economical way of shipping goods with rapid transit time. Averaging between 2-5 transit days, direct flights or consolidated traffic through selected gateways. Any size or weight shipment for any destination. International documentation and customs clearance.

## AIR CHARTER

For dedicated full-capacity service to any destination.

## SEA-AIR SERVICES

Where required, we offer sea-air services which combines modes in order to achieve a specific requirement in a cost-effective manner.

## HAND CARRY SERVICE

Dedicated and safe, available to supervise the delivery of sensitive, valuable or time-critical consignments. Personal door to door delivery, active flight monitoring, continuous and proactive information flow during the trip.

# OCEAN FREIGHT

We can offer a variety of different Ocean freight solutions, both from an export and import perspective as well as in a through-transport scenario, dependant upon requirements. Thanks to our substantial volumes we are able to ensure both service and equipment availability.

## FULL CONTAINER LOAD

In conjunction with world-class global partners and carriers, we provide competitive pricing with the best frequencies of departure and delivery times, for those customers requiring an FCL service.

## LESS CONTAINER LOAD

Regular sailings are offered for customers whose shipping volumes do not require a complete container. Specialist in Consolidations, we can offer a competitive price / value ratio and regular scheduled sailings to most worldwide destinations.

## PROJECT CARGO

We are able to manage “project cargo” and shipments of oversized, dangerous goods, refrigerated sensitive and delicate.

# LAND TRANSPORT

## FULL TRUCK LOAD

In conjunction with **world-class global partners and carriers**, we provide competitive pricing with the highest possible departure frequency for customers requiring **FTL services** including special equipments and OOG cargo.

## INTERMODAL SERVICES

**Combined Rail/Truck** mode of transport is available for most of **Domestic, European industrial areas and China**. We provide competitive pricing with the highest possible departure frequency and consistent transit time.

## SPECIAL SERVICES

We can also provide special trucks such as:  
Tailgate trucks;  
Self Loading Crane trucks;  
Low bed trucks;  
ADR trucks;  
Reefer trucks.

## LESS TRUCK LOAD

Regular LTL services are offered for customers whose transporting volumes do not require a complete. **Specialist in Consolidations**, we can offer a competitive price/value ratio and regular scheduled departures and arrivals to/from **the main international locations** including East Europe countries, Middle East and Maghreb region.

## DEDICATED AND SPECIAL TRUCKS SERVICES

For top urgent arrangements we can provide all range of vehicles for **exclusive and fully dedicated services**.

# BROKERAGE

Operating in Italy and in all **EU countries**, directly and through our network of agents globally. **Aster Customs Brokers** supplies directly a vital link in the transport chain. Our **highly qualified staff expert** in local customs procedures, is always ready to classify and work safely on your goods.

Aster Customs Brokers is able to provide pre-clearance and customs clearance services in each of the countries within its global network. Your goods can be classified, and where appropriate cleared prior to arrival into the destination country. In addition, Tariff consultants are available to provide consultancy on a range of matters such as **Dumping, Duty Concessions, Duty Drawbacks, Quotas and Intrastat declarations.**

**Aster Customs Brokers** are electronically linked to Italian Customs' Services utilizing state of the art software packages, ensuring rapid turnaround in clearance together with automatic updating of records, tariff concessions and other statistical codes providing proven efficiency in time and finance. Where available internationally, we support these electronic links.

- ✓ Custom Bonded Warehouse
